

Azul Calendar of Events

Please join us for an upcoming Seminar or Event - call 239-415-7576 to RSVP as seating is limited.

SEMINARS feature Dr. Patrick Flaharty and begin with an Introduction to non-surgical procedures followed by a more comprehensive overview of surgical procedures. Complete with Before & After pictures, he describes the procedure and the results and ends with an audience Q&A period. Staff are available to schedule Consultation appointments. **Seminars are from 6pm - 7pm.**

EVENTS feature Azul Master Injectors (PAs and ARNPs) and Estheticians describing procedures and performing live demos of non-surgical treatments offered. Events target a specific topic and are designed to educate. Events are usually offered with a Special Promotional Price on the showcase treatment(s).
